Boštjan Kavčič: GLOBALHEART

Programiranje/programming: Dejan Lavbič, Andrej Krevl, Matija Krajnc, Miloš Cigoj, Damjan Gerhold, Primož Likar.

GLOBALHEART je umetniški sistem, ki s pomočjo individualnih srčnih podatkov gradi virtualni spletni organizem. Na spletnem naslovu www.global.heart.mine.nu postane uporabnik sistema GLOBALHEART soustvarjalec umetnine.

GLOBALHEART is an artistic system which builds up a virtual Internet organism with the help of individual heart data. At the following address: www.global.heart.mine.nu, the user of the GLOBALHEART system becomes an interactive collaborator in the work of art.

Boštjan Kavčič, rojen 1973 v Šempetru pri Gorici. Diplomiral leta 2003 na Akademiji za likovno umetnost v Ljubljani, smer kiparstvo. Dobitnik univerzitetne Prešernove nagrade.
