The screenshot shows the StarBoard Software interface. At the top, the title bar reads "StarBoard Software [StarBoard-2013-09-11-10-26-31]". Below it is a menu bar with "File", "Edit", "View", "Tools", "Insert", "Topic", "Conference", "Settings", and "Help". On the left, a vertical toolbar contains various icons for navigation and editing. The main whiteboard area displays the word "elephant" in orange text above a grey elephant illustration. Below that, the word "giraffe" is partially visible above a giraffe illustration. At the bottom, a zebra illustration is shown. A yellow curtain-like object is positioned over the "giraffe" text. A "MENU" button is located near the giraffe. A context menu is open over the curtain, listing options: File, Edit, View, Tools, Insert (with sub-options: New Page (Ctrl+M), Screenshot, Picture..., Flash..., Curtain, TWAIN Device, Webcam Device), Topic, Conference, Settings, and Help. A red arrow points to the "Curtain" option. A pink callout box contains the text "Zavesa" and "Skrijte in razkrijte predmete na tabli." (Hide and unhide objects on the board). On the right, a "Properties" panel is visible, containing sections for "Tool Properties", "Object Properties" (with ANIMATION Type set to None and Opacity controls), and "Page Properties" (with Background Color, Hide Top Layer, Page Expansion, and Page Transition options). A vertical sidebar on the far right includes "Document", "Gallery", "Properties", "View", and "Conference" buttons. At the bottom, a Windows taskbar is visible with several application icons.

**Programski nasveti**

Uvodna stran se pokaže po zagonu programa StarBoard

The screenshot shows the StarBoard Software splash screen. It features a blue header with the text "StarBoard Software". Below the header, there are two main sections: "StarBoard Software" and "StarBoard Resources".

- StarBoard Software** section contains:
  - New
  - Open...
  - Recent Documents...
  - Calibrate
- StarBoard Resources** section contains:
  - StarBoard Website
  - Educator Resources
  - Education Partners
  - Social Networks
  - Software Training
  - Technical Support

Below these sections is a "Conference" section with two options:

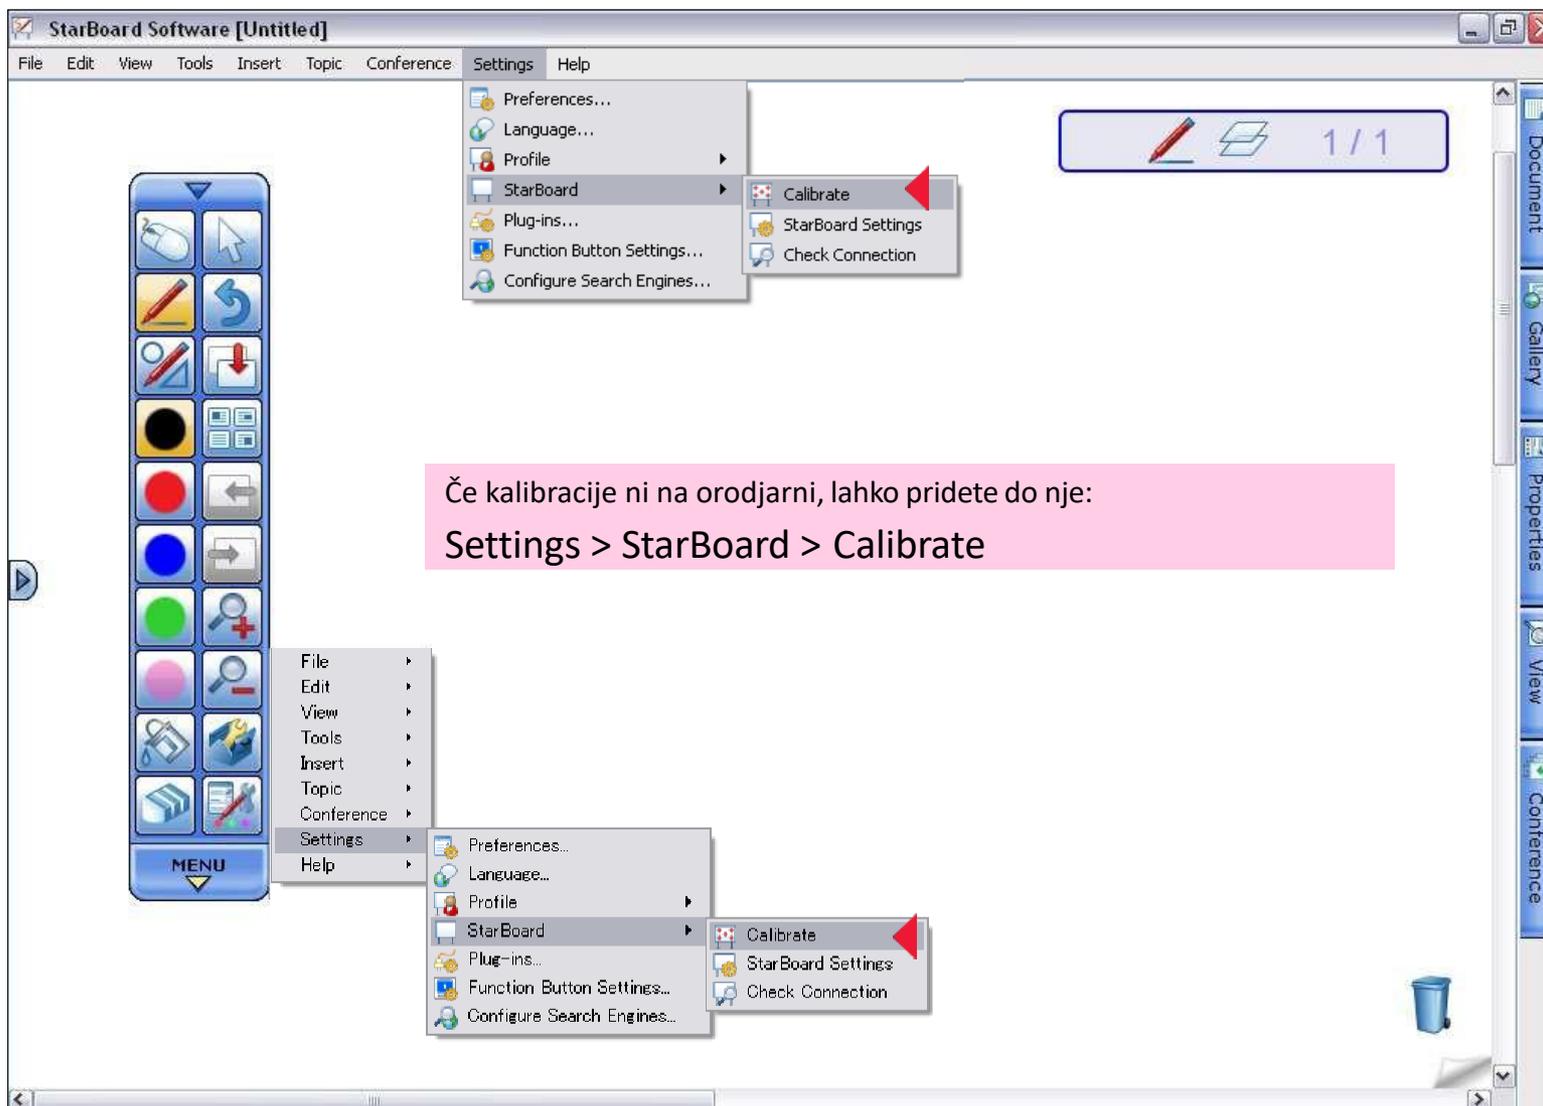

- Host Shared Whiteboard...
- Join Shared Whiteboard...

At the bottom of the splash screen, there is a checkbox labeled "Do not Show Again." and a close button (X).

Annotations with arrows point to various elements:

- "Uporabite uporabne ukaze" points to the "StarBoard Software" menu items.
- "Uporabite konferenčni način" points to the "Conference" options.
- "Skok na StarBoard povezave do virov" points to the "StarBoard Resources" list.
- "Označite, če ne želite, da se najprej pokaže uvodna stran." points to the "Do not Show Again." checkbox.

Opomba: To pogovorno okno se zapre avtomatsko, če kliknete izven njega.

Če kalibracije ni na orodjarni, lahko pridete do nje:  
Settings > StarBoard > Calibrate

1. Držite konico pisala v središču utripajočega kroga (1) dokler se ne spremeni v zelenega

2. Sledite krogom po številkah, dokler ne končate v sredini zaslona (9).

**NAMEN KALIBRACIJE:**

- Ujemanje kazalca s točko dotika svinčnika

**KDAJ KALIBRIRATI:**

- ko se kazalec ne ujema s točko dotika svinčnika
- ko projektor ali tabla nista fiksirana
- ko se na tablo priključuje več računalnikov

The screenshot shows the StarBoard Software interface with several key components highlighted and annotated:

- Meni:** The menu bar at the top (File, Edit, View, Tools, Insert, Topic, Conference, Settings, Help) is highlighted with a red box. A pink callout box explains: "Običajen meni windows programov."
- Kazalec stanja:** A status bar at the top right, containing a pencil icon, a document icon, and "1 / 1", is highlighted with a red box. A pink callout box explains: "Kaže trenutno stran in izbrano orodje". Below it, a "New Page" button is shown with a callout: "Pokaže funkcijo, ko izberemo meni".
- Stranski stolpec:** The left sidebar, containing sections for Navigation, Screen Layout, and Conference, is highlighted with a red box. A pink callout box explains: "Omogoča hiter dostop do lastnosti. Ima 5 razširljivih zavihkov: Document, Gallery, Properties, View in Conference".
- Preklop stranskega stolpca:** A button on the right side of the interface is highlighted with a red box. A pink callout box explains: "Ta puščica prestavi stranski stolpec na drugo stran".
- Koš:** A trash can icon at the bottom right is highlighted with a red box. A pink callout box explains: "Za hitro brisanje predmetov z enostavnim povlekom na koš."

## PC način

Za računalniški način mora biti izbrana ikona miške

*annotate here*

**Pisanje po namizju**  
V programu izberite "Write on Desktop" v Settings>Preferences>Annotation tab>Desktop Options

**Pisanje po zajetem zaslону**  
Za zajem trenutne zaslonske slike za dodajanje opomb,

- 1) izberite "Write on Captured Desktop" v Settings>Preferences>Annotation tab >Desktop Options
- 2) zajemite sliko: Menu>Insert>Screenshot ali Kliknite na katerikoli od ikon s peresom v PC načinu

The screenshot shows the StarBoard Software interface with several annotations in Slovenian:

- Zavihek Document** (Document Tab): A pink box with a red arrow pointing to the 'Document' tab in the right-hand pane. The text inside the box reads: "Ogled vseh strani, brisanje strani, vrivanje strani, tiskanje, izvoz, kopiranje na tablo, dodajanje in brisanje pripon" (View all pages, delete pages, insert pages, printing, export, copying to the board, adding and deleting attachments).
- Dodajte novo prazno stran** (Add new blank page): A red arrow points to the 'Add New Page' icon (a document with a plus sign) in the left-hand toolbar.
- Prejšnja stran** (Previous page): A red arrow points to the 'Previous Page' icon (a left-pointing arrow) in the left-hand toolbar.
- Naslednja stran** (Next page): A red arrow points to the 'Next Page' icon (a right-pointing arrow) in the left-hand toolbar.
- Meni strani** (Page menu): A red arrow points to a context menu that appears over the page thumbnails in the 'Page List' pane. The menu items are: Show, Delete, Insert Page, Print..., Save As..., Duplicate Page, and Add to Favorites...

The interface includes a menu bar (File, Edit, View, Tools, Insert, Topic, Conference, Settings, Help), a toolbar at the top with icons for editing and navigation, and a right-hand pane with 'Topic List', 'Page List', and 'Document' sections. A 'MENU' button is located at the bottom of the left-hand toolbar.

**Zavihek Properties**

The screenshot shows the StarBoard Software interface. On the left is a vertical toolbar with various drawing tools. On the right are three stacked panels: 'Tool Properties' (containing pen and marker icons, a color palette, and line style options), 'Object Properties', and 'Page Properties' (with options for background color, hide top layer, and page expansion). A menu bar at the top includes File, Edit, View, Tools, Insert, Topic, Conference, Settings, and Help. A sidebar on the far right contains buttons for Document, Gallery, Properties, View, and Conference.

## Intelli-Pen

- Avtomatsko pretvori prostoročne oblike v geometrične oblike (podprte oblike: pravokotnik, krog, puščica, zvezda, trikotnik, večkotnik, šestkotnik, črta, deltoid)
- Pretvori ročno pisavo v tipkano besedilo
- Išče besedilo v Google, Wikipediji ali drugih iskalcih
- Primerno za matematiko ob uporabi mreže

## Pointer-Pen

- Deluje enako kot laserski kazalec
- Z novo opombo, bo prejšnja izginila
- Kliknite enkrat za prikaz puščice
- Primerno za predstavitve

## Text-Pen

Avtomatsko pretvori ročno pisavo v tipkano besedilo

**Avtomatsko pretvori pisavo v tipkano besedilo**

- 1) Napišite besedo ali stavek z uporabo Text-Pen
- 2) Avtomatsko pretvori v prvo možnost
- 3) Izberite med ponujenimi možnostmi, če prva ne ustreza (možnosti bodo prikazane, če je kljukica pri "Show alternatives")

## Multi-Pen

Multi-pen omogoča istočasno beleženje več peres (le dodajanje opomb).  
Število možnih vnosov je odvisno od števila omogočenih vnosnih naprav (priključenih na računalnik).

**OPOMBA:**

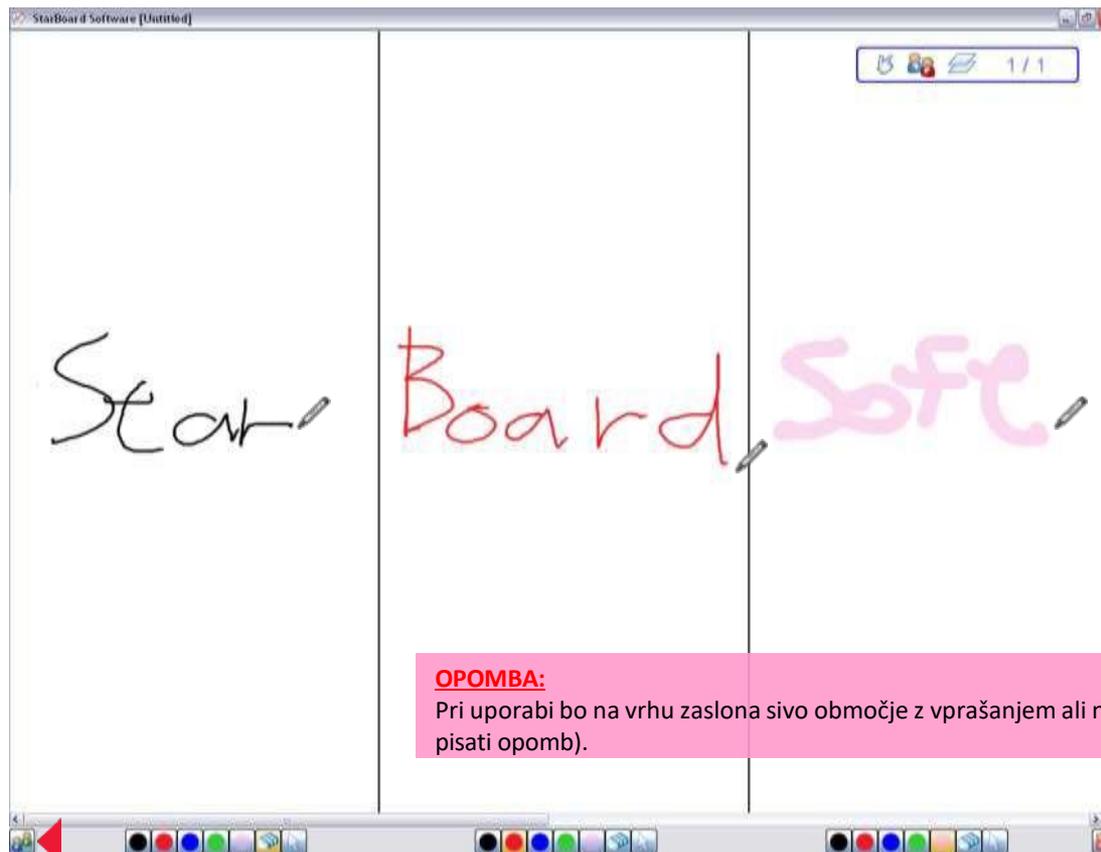

Za uporabo drugih peres so potrebni Windows 7 / 8 / 10.

## Multi-Input

Multi-input orodje dovoljuje istočasni vnos do trem osebam.

Vnosno območje je razdeljeno na tri področja na tabli (2 ali 3). Vsak uporabnik lahko izbere orodje ali barvo pisala na svojem področju. Število vnosnih naprav je odvisno od priključenih naprav.

### OPOMBA:

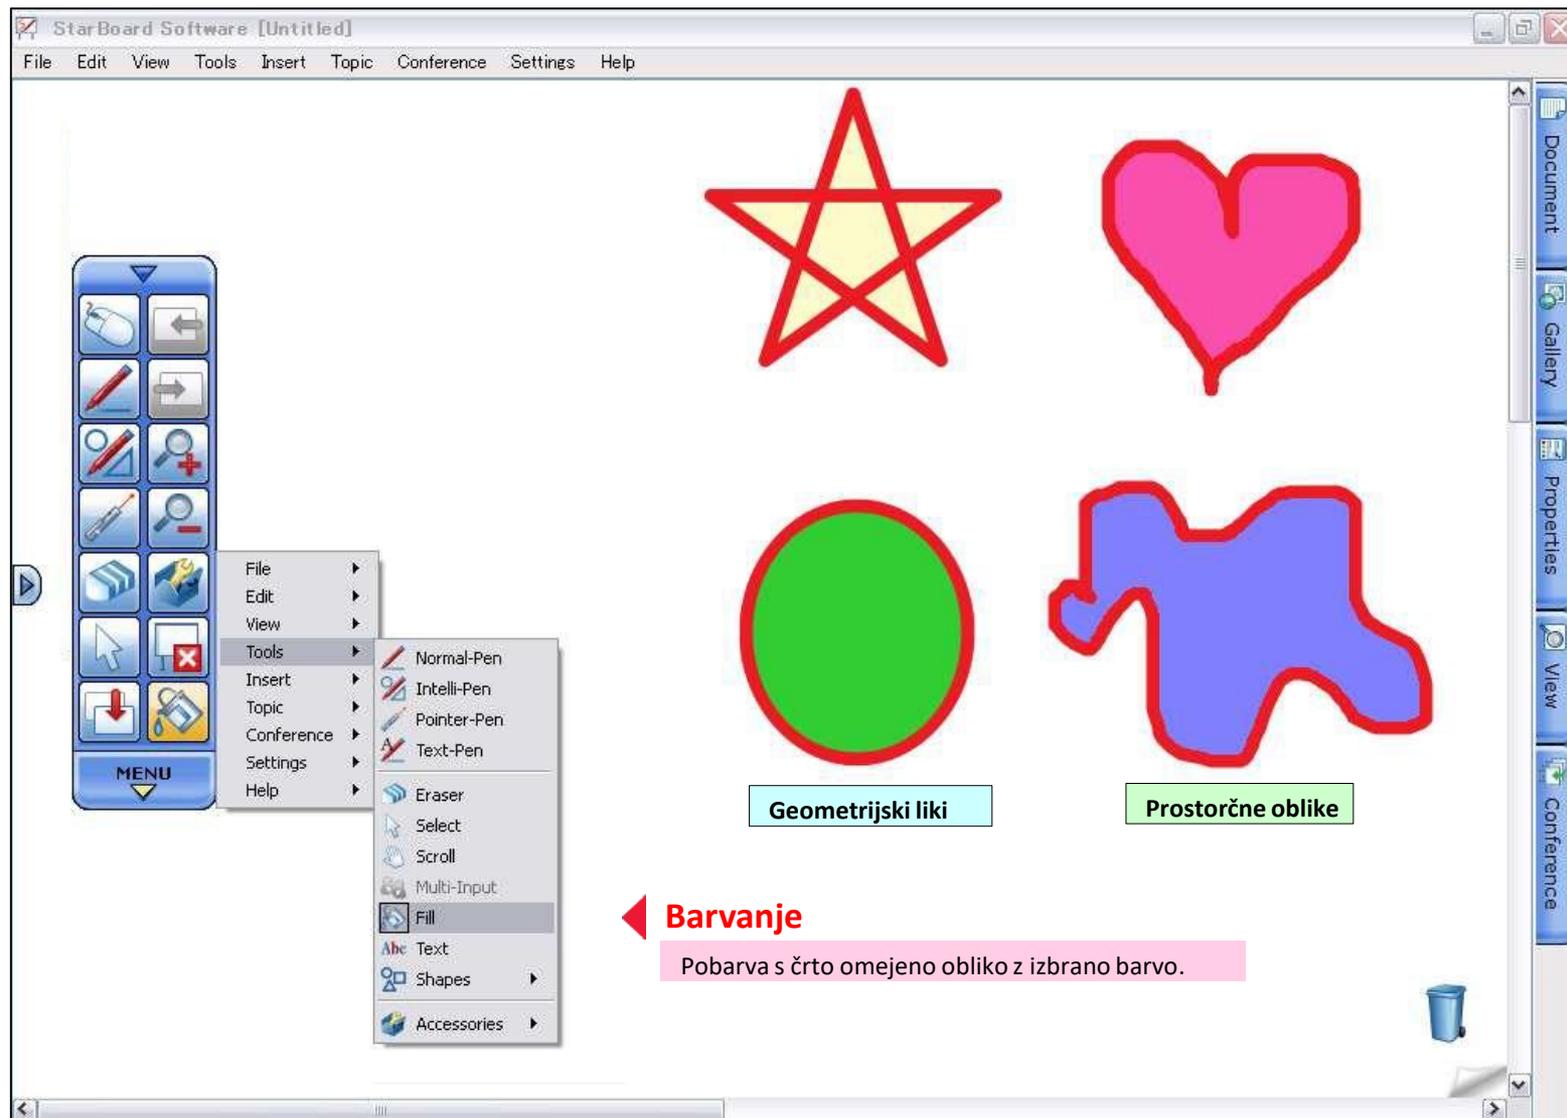

Pri uporabi bo na vrhu zaslona sivo območje z vprašanjem ali naslovom. (V sivem območju se ne da pisati opomb).

Kliknite na ikono levo spodaj za preklop med 2 ali 3 uporabniki

The screenshot shows the StarBoard Software interface with a menu bar (File, Edit, View, Tools, Insert, Topic, Conference, Settings, Help) and a toolbar on the right (Document, Gallery, Properties, View, Conference). A vertical toolbar on the left contains various drawing tools. Three specific tools are highlighted with red arrows and text:

- Običajna radirka**: A blue icon of a pen. Description: "Briše opombe napisane z normal-pen".
- Brisalec slik**: A blue icon of a eraser. Description: "Briše opombe in vstavljene slike. Slika mora biti rastrska (jpg, bmp, png, itd...)".
- Velikost radirke**: Three blue circular icons of different sizes. Description: "Izbirate lahko med tremi velikostmi".

The main workspace contains two images: a red scribble and a landscape image with white scribbles. The 'Properties' button in the right toolbar is highlighted with a red rectangle and a red arrow.

The screenshot shows the StarBoard Software interface with a menu bar (File, Edit, View, Tools, Insert, Topic, Conference, Settings, Help) and a toolbar. A pink box contains the title "Pretvorba proste pisave v besedilo" and three numbered steps: 1) Napišite besedo ali stavek z Intelli-Pen, 2) S klikom z Intelli-Pen izberite besedo (pojavi se meni), 3) Izberite ustrezno besedo za zamenjavo besedila. A vertical toolbar on the left is labeled "Intelli-Pen" and described as "Najprimernejše za pisanje opomb in risanje oblik". The main workspace shows the word "photosynthesis" written in green cursive, enclosed in a rectangular frame with corner handles. A red arrow points from the word to a larger, green, sans-serif version of the word below it. A context menu is open over the word, listing options such as "photosynthesis", "photosyhThesis", "photosynThesis", "Search photosynthesis in Google", "Search photosynthesis in Wikipedia", "Cut", "Copy", "Duplicate", "Delete", "Lock", "Edit Hyperlink...", "Object Properties", "Add to Favorites...", "Order", and "Rotate/Flip". A status bar at the bottom right shows a trash icon.
