

Danes nadaljujemo z že znano tematiko. Pripravila sem ti dve kratki vaji za utrjevanje osebnih zaimkov in rabo glagolov *has got*, *hasn't got* in *have got* oziroma *haven't got*.

DA PONOIVA:

HAS GOT oz. **HASN'T GOT** uporabljamo pri osebnih zaimkih **HE, SHE in IT**, torej takrat, ko govorimo o drugi osebi oz. za nekoga drugega (npr. sošolec, prijateljica, žival, igrača, predmet ...)

HAVE GOT oz. **HAVEN'T GOT** uporabljamo, kadar govorimo zase oz. o sebi (**I**) in pa pri osebnih zaimkih, ki si jih spoznal na novo-**WE, YOU in THEY**.

Spodaj imaš dve kratki vaji, vezani na rabo glagolov. Čisto na koncu sem ti zapisala tudi rešitve nalog, da si jih lahko samostojino pregledaš.

Besedilo nalog si prepisi v zvezek pod naslov **EXERCISE**.

Fill in with have got, haven't got, has got, hasn't got. Vstavi have got, haven't got, has got, hasn't got.

I **HAVE GOT** a book, but I **HAVEN'T GOT** a pen.

a) He a pet.

b) She _____ long blond hair, but she
blue eyes.

c) We have a lot of homework.

d) They _____ green eyes.

e) It _____ long ears, but it _____ teeth.

f) You _____ a cat, but you _____ a dog.

Write have got, haven't got, has got, hasn't got. *Vstavi have got, haven't got, has got, hasn't got.*

My name is Maya and this is my family. We are happy.

We (+) _____ a new house. My parents (+) _____ a new cat. It (+) _____ a white head and black feet. Look at my brother and sister. They (-) _____ balloons, they (+) _____ a new video game. I (+) _____ a new teddy bear. My mum (-) _____ a cake and my dad (+) _____ a lot of books.

Znak + pomeni trdilno obliko (imam, ima, imajo), znak – pa nikalno obliko (nima, nimajo ...)

Nekaj ur nazaj si si izdelala kartončke ali pa kocko, na katerih so zapisani osebni zaimki, ki jih moraš poznati. Se spomniš? No, čas je, da jo uporabiš.

Kocko boš metal-a in pri tem tvoril-a povedi z že znanim besediščem (toys, animals, school supplies). Zapisal-a boš 16 povedi, od tega 8 trdilnih povedi in 8 nikalnih. **Svoj zapis mi pošlji na elektronsko pošto, jaz pa ti ga bom pregledala.**

V zvezek napiši naslov **PERSONAL PRONOUNS.**

Primer: Vržeš kocko in pade zaimek **WE.**

Trdilna poved: **We have got** a red balloon.

Nikalna poved: **We haven't got** a black car.

IZDELAVA KARTONČKOV Z ZNAKI

Za konec si boš izdelal-a kartonček s tremi znaki. Na prvega nariši zeleno kljukico, na drugega rdeč križec in na tretjega vijoličen vprašaj. Te kartončke si shrani, saj jih boš prihodnjič potreboval-a za delo.

Tako, pa sva za danes končala. Upam, da ti gre reševanje dobro od rok. Kot dogovorjeno, pošlji mi svoj zapis na elektronsko pošto, jaz pa ti bom zapis popravila in ti ga poslala nazaj.

SE KMALU SPET SLIŠIVA!
