

## **Pozdravljen!**

Ker so strokovnjaki odločili, da naše ure ostajajo na daljavo, bo to potrebno tudi tako izplejati.

Ker prihodnji teden pišete ocenjevanje znanja iz angleškega jezika, ti danes pošiljam vaje, da boš svoje znanje lahko utrdil in izpopolnil.

Če česa ne razumeš mi z mamico le pišita ali pokličita in dvome bova razjasnila.

Želim ti obilo uspeha pri reševanju.

Ponovno se ti oglasim jutri,  
učiteljica Iris
