

INSTRUCTIONS GIVEN TO THE STUDENTS DURING THE LESSONS

- 1 Work in pair. Tell your partner in a few sentences about where you live.
- 2 Short group discussion
- 3 Follow the instructions how to come to infoquest pages.
- 4 Look at the vocabulary given in the box above the crossword to check if you understand their meanings.
- 5 Complete the crossword with the given vocabulary. Check also their explanations using the Cambridge Online dictionaries which are part of infoquest pages.
- 6 Click on SEARCH to get the websites written by three students from three different countries. Their websites will help you to get all the information needed to complete Worksheet 2.
- 7 Read the three websites again and do the 'Neighbourhood quiz'.
- 8 When you finish the quiz, work in pairs again and add two / three more questions to the quiz.
- 9 Group work.
Read the new questions. We will write them down and answer.
- 10 Work on your own or in pair. Use the ideas from the websites to prepare a short presentation of yourself / yourselves and your neighbourhoods. You can use either Microsoft Office Word or PowerPoint.
