

ME

My name is Miša and I'm 13 years old. I live in Radovljica. Radovljica is a small town located in the north-west part of Slovenia near the river Sava.

ABOUT WHERE I LIVE

Radovljica is a small, quiet city that was built in 14th century. Its population is about 6,000.

In Radovljica, the most interesting places to see are in the old part of the city. There you can see: Šivec house, the church of St. Peter, Mali house ...

In Radovljica, the majority of people drive around with car, but we also have buses and trains.

In winter it can be very cold but when the summer comes it's very hot.

IN MY NEIGHBOURHOOD

In the new part of Radovljica the streets are quite wide, but in the old part of the town the streets become narrower.
