## PROJECT MEETING IN SLOVENIA

(18<sup>th</sup> January – 22<sup>nd</sup> January 2010)

### INTERVIEWS DURING WORKSHOPS ON WEDNESDAY

#### HOUSEKEEPING WORKSHOP

*We asked our guests from Poland how they liked our kitchen. Since we know that their food is different from ours, we asked them how they liked our food. We figured it out that they like international food more, this is the fast food. Our co-speaker was enjoying in McDonald's very much because she felt there like at home.*

**Do you like this workshop?**

**Yes, a lot, because we like cooking.**

**Did you understand the teacher's instructions? Did anyone help you?**

**Yes, we understood instructions, but we didn't know how to cook, so the teacher had to show us everything. We just knew how to hold a ladle.**

**What do you like most about this workshop? What do you like the least?**

**I liked most the preparation, but I hate nuts.**

**What product have you made?**

**Potica. I have never heard of potica before. It's a kind of a nut roll.**

**Do you like Slovenian food?**

**Not really. I like fast food and Mc Donald's food.**

**Do you know any Slovenian food?**

**No.**

*Our guest told us that she, generally speaking, likes hamburger and toast, but we know that this is not Slovenian food, so fortunately, she participated in the cooking workshop, where she at least got to know potica.*

**What did Slovenian parents cook to you?**

**We had toast and then we went to Mc Donald's.**

*Then it's not surprising that our guests did not get to know Slovenian food.*

## **LANGUAGE WORKSHOP**

**Did you like your group?**

**Laura: Yes, because we have made an interesting dictionary.**

**Did your peers understand all instructions (Greeks)?**

**Laura: Yes. Otherwise the teacher helped us.**

**What did you make?**

**Laura: A dictionary.**

*The interviews were prepared by Anja and Nika (class 9a)*
