

Dan jezikov 2012 na SŠ Josipa Jurčiča

Evropska komisija in Svet Evrope sta leta 2001 sprejela sklep, da se 26. september vsako leto posveti dnevu jezikov. Neverjetna pestrost in bogastvo jezikov so vir kulturne pestrosti Evrope in številne šole, vrtci pa tudi druge organizacije posvetimo Evropskemu dnevu jezikov posebno pozornost z raznimi delavnicami in prireditvami.

Dijaki 1. in 4. letnika gimnazije so letos pod mentorstvom profesorice Mojce Saje Kušar, Anje Šmajdek in Maje Zajc Kalar ustvarjali na osnovi neizčrpane teme znanih obrazov evropske politike in njihovih manj ali bolj posrečenih izjav. Domišljiji so pustili prosto pot – seveda v slovenščini, nemščini, angleščini, španščini –

Nekaj utrinkov njihovega ustvarjanja!
